

Hello Year 3!

Welcome to your Home Learning for this week!

I hope that you all had a lovely weekend and are ready to continue with your learning! Remember to try to complete some of the lessons listed here as well as your LBQ and My Maths questions. Some children find it helpful to write a timetable so they know which lessons they are going to do each day - just like we do in school. Hopefully we will see some sunshine this week so remember to plan in some outdoor learning and exercise too where you can!

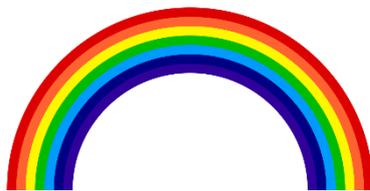

Wishing a very Happy Birthday to...

Kodi who is 8 years old on Monday 15th June

We hope you have a lovely day! 😊

I hope you enjoy the lessons planned for this week and remember that if there is anything else that you would like help with, please email me on sdownie@stmarysnewman.co.uk.

Keep sending in photos of your work 😊

Take care,
Miss Downie and Mrs Stacey-Jones
