

Recount of Events on the Road to Emmaus

You are one of the two men who were walking along the road to the village of Emmaus from Jerusalem. Terrible things have happened recently.

Write a recount of the day, as if you are one of the two friends walking to Emmaus.

Where did the story take place?
On the road between Jerusalem and Emmaus.

Who was in the story?
Two of Jesus' friends and later, Jesus joined them as they walked along talking.

What happened?

The two men did not recognise Jesus, and told him about everything that had been happening:

- Jesus had been arrested and crucified;
- His body had been laid in a tomb, and today, it had disappeared.

How did it end?

- The two men invited Jesus to stay for dinner in Emmaus. When Jesus took the bread, blessed it and broke it, just like he had done at the Last Supper, they realised who he was!
- They returned to Jerusalem to tell the disciples what they had seen.
