

## Hello Year 3!

Welcome to your Home Learning for this week!  
I hope that you have all enjoyed the weekend and are ready for the week ahead!

Mrs Stacey-Jones and I have been in school over the past couple of weeks and still miss you all very much. It has been lovely to see a few of you when collecting your new reading books and of course, some children have been in our Key Worker bubble too. Although you may sometimes find working at home a little tricky, it is important that you try your best to complete the work that is set so that you are ready when the time comes for your return to school and so that you are keeping up with your learning!

Wishing a very Happy Birthday to...

**Lewis** who is 8 years old on Monday 22<sup>nd</sup> June

**Kiyan** who is 8 years old on Wednesday 24<sup>th</sup> June

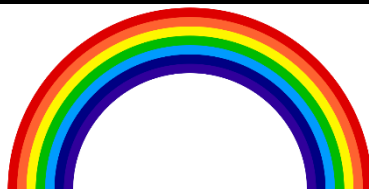

We hope you have a lovely day! 😊

If you enjoy drawing, you might like these video tutorials on how to draw Disney characters in your free time!

I hope you enjoy the lessons planned for this week and remember that if there is anything else that you would like help with, please email me on [sdownie@stmarysnewman.co.uk](mailto:sdownie@stmarysnewman.co.uk).

Remember to keep sending in photos of your work which will appear on our class page for Home Learning. Two pieces of work will be chosen each week for our celebration newsletter 😊

Take care,  
Miss Downie and Mrs Stacey-Jones

### The Eucharist

Look through the 'Feeding of the five thousand' pdf on our Home Learning Page. Answer the questions throughout the slides and complete the task at the end - Write a diary entry as though you were the young boy who took the loaves to Jesus. Use the 'Diary Writing Guide' on our Home Learning page.

English

### Poetry

This week, you will be writing different list poems which link to life in lockdown. Use the weekly overview to help guide your learning and use the worksheet pdfs each day for your task.

#### Reading focus:

- Complete the Reading comprehension tasks on LBQ
- Remember, there are some fabulous audio books for you to access here: <https://stories.audible.com/discovery>
- Continue reading your books at home or try one from the link above and then take an Accelerated Reader Quiz afterwards: <https://ukhosted5.renlearn.co.uk/2248169/>

Maths

### Number

Use the pdfs on our Class Home Learning page to help with your learning and then complete the questions on LBQ or My Maths. There are worksheets available each day for you to complete instead or as well as the online tasks.

1. Doubling whole numbers (2 digit)
2. Double whole numbers (3 digit)
3. Halving whole numbers
4. Estimating when adding and subtracting
5. 8 x Tables division facts
