

Hello Year 3!

Welcome to your Home Learning for this week!

I hope that you have all enjoyed the weekend and are ready for this week's learning.

It was lovely to see so many of you during our Teams Meetings - you all looked so very grown up and I was very impressed with how you answered any questions that I asked. Well done to you all for responding so well and the work I have seen via email is amazing. Keep it up Year 3!

This week will work in the same way - use the weekly overview to help guide your learning and of course, remember to enjoying spending time together as a family and hopefully you will be able to enjoy some time outdoors too!

Wishing a very Happy Birthday to...

Ezme who is 8 years old on
Friday 3rd July - We hope you have a lovely
day!

I hope you enjoy the lessons planned for this week and remember that if there is anything else that you would like help with, please email me on

sdownie@stmarysnewman.co.uk.

Remember to keep sending in photos of your work which will appear on our class page for Home Learning. Two pieces of work will be chosen each week for our celebration newsletter 😊

Take care,
Miss Downie and Mrs Stacey-Jones

RE

Being the Body of Christ in the world today

Explore the prayer on our Home Learning Page, written by St Teresa of Avila. Think carefully about what the words of the prayer mean. You could colour the lines or words that stand out to you.

When you have done this, reflect and think about how you can bring Christ in the world today. Write a list of things you could do to do this.

English

Poetry

This week, you will be writing different list poems that link to life in lockdown, just like last week. However, you will be using different features of a poem to make your writing interesting for the reader.

Use the weekly overview to help guide your learning and use the worksheet pdfs each day for your task.

Reading focus:

- Complete the Reading comprehension tasks on LBQ
- Remember, there are some fabulous audio books for you to access here: <https://stories.audible.com/discovery>
- Continue reading your books at home or try one from the link above and then take an Accelerated Reader Quiz afterwards: <https://ukhosted5.renlearn.co.uk/2248169/>

Remember that you can collect a reading book from the school office on a Monday between 10am and 2pm. Please remember to return your book the following week.

Maths

Measure

Use the Maths overview on our Class Home Learning page to help with your learning. After you have done this, use the worksheets, LBQ or My Maths to show your understanding.

1. Measure Length
2. Equivalent Lengths (m and cm)
3. Equivalent Lengths (mm and cm)
4. Comparing Lengths using greater than or less than (> or <)
5. 6 x Tables division facts

<p>Science</p>	<p><u>Plants - Why are bees attracted to flowers?</u> <u>Pollination</u> Use the BBC Bitesize link here to help with your learning: https://www.bbc.co.uk/bitesize/topics/zy66fg8/articles/zx4ktv4 or look through the PowerPoint on our Home Learning Page and then create your own poster/ diagram showing what happens during pollination and why bees are so important.</p>	
<p>Geography</p>	<p>Look at the map and see if you can name the capital cities of each of the countries. Use an atlas or an online tool to help you. Which of the countries on the map are Mediterranean countries?</p>	
<p>Computing</p>	<p>https://www.thinkuknow.co.uk/parents/Support-tools/home-activity-worksheets/5-7s/ Choose Home Activity Pack 5</p>	
<p>French</p>	<p><u>Family</u> This week, take a look at the song titled 'La Famille' written in French. See if you can translate the song into English using the words that you have learnt about Family. Remember: 'Voici' means 'Here is'</p>	
<p>PE</p>	<p>Take a look at the PE activities from Mr Sigley on our Home Learning page and choose one that you would like to try.</p>	
<p>Music</p>	<p>https://www.bbc.co.uk/teach/ten-pieces/ten-pieces-at-home/zjy3382 There are many activities for you to choose from here. If you want to continue with your poetry learning from English, Week 1, if you scroll right to the bottom, is linked to poems. Feel free to choose whichever you like though!</p>	
<p>PSHE</p>	<p>In support of Summer's fundraising for Chester zoo - Look at the Picture News activities on our Home Learning Page. Talk about the questions given with your family or write down your thoughts on paper.</p>	

Congratulations!

Well done to everyone who is taking part in Home Learning - you are all amazing!

Gwen - some fantastic examples of home learning - in particular a great Science experiment!

Ethan - his work helping at the farm and his Artwork.

Henry - for his hands on Science learning and the delicious-looking flatbreads

All of the children who have done so well with their LBQ tasks and their My Maths questions this week.

Look out for photos of your learning on our class page!
