### Our Class Saint

As we come to the end of our time in Year 3, let us remember the work of our class saint, Saint Thérèse of Lisieux who has inspired us to live out the Gospel values throughout the year. Re-read the power point that we shared together during our transition in to Year 3. Remember she was known as the little flower who thought that little ways to show God's love were most important.

There is a sheet to colour and around it, you could draw some flowers, decorated with little ways to show God's love.

Beneath the image, write a prayer thanking St Thérèse for her guidance, inspiration and care during our year together.

### Icarus - Greek Mythology

Read the pdf story and complete the tasks for each day. This week, you will be exploring this Greek myth in more detail from Monday to Wednesday. Read the overview and worksheets for instructions on what to do.

On Thursday, complete the SPaG test to test your Year 3 knowledge! The answers can be found at the end.

On Friday, ask somebody to read out the 'Spelling script' whilst you fill in the missing spelling on the spelling sheet, just like we do in school.

#### **Reading focus:**

- Complete the Reading comprehension tasks on LBQ
- Continue reading your books at home or remember to collect one from the school office and then take an Accelerated Reader Quiz afterwards: <https://ukhosted5.renlearn.co.uk/2248169/>

**Reading books can be collected from the school office on Monday between 10am and 2pm and can be returned to school in September.**
