

Stick the instructions into your books. Write a short paragraph to answer each question. Remember, to include the question in your answer!

Research and answer the questions in your books and include lots of historical detail to consider why the Romans invaded Britain.

1. Which Roman emperor finally succeeded in invading Britain and in what year was this achieved?
2. What raw materials did Britain have that made the country so enticing to Rome?
3. Pick two of the raw materials that Rome wanted from Britain and explain in a paragraph why these materials were so useful.
4. How did Rome want to use the people of Britain and why?
5. Why did Emperor Claudius want to be the first Roman Emperor to successfully invade Britain?
