

Curriculum Overview: Year Four -Week Beginning 11th May 2020
Home Learning

Good Morning Year 4!

It is week four of our summer term. I do hope you have had an enjoyable week and are looking forward to our next week. The way your activities are set out will be the same as last week and all of your activities are explained and listed in the overview below. This week, you have five printable English tasks for this week that are accompanied by a PowerPoint, giving you instructions on how to complete them. This week your English activities consist of three activities that will help and support you through your next Big-Write as well as two reading activities focusing on our class text. As usual, you have a PowerPoint for the LBQ Maths tasks for each day to help you with anything you might have forgotten, or anything that may be new learning. A PowerPoint that will be included in your pack will also support any large tasks for Science, History, Art, French, R.E. and Computing.

We have been blessed with some lovely weather over the last week, which has hopefully meant you have all been able to get outside, be active and complete your tasks in between. As I always say, you must be accompanied by a responsible adult and stay at least two lightsaber lengths apart- this should be fresh in your minds as it was "May the Fourth" last Monday. This is not my favorite Star Wars day of course as I prefer the "Revenge of the Fifth!"

Thank you again, for your continued sharing of your amazing work. It is so impressive to see some of the amazing activities you have completed and it certainly does make us beyond proud. If there is any other work that you would like to share, please do send this to me via email!

We don't have any special Birthdays this week, but this doesn't mean that you should not practice your wonderful singing and fantastic dancing. Therefore, I expect everyone to still be doing the Friday Dance and making your voices heard at home! I am sure mummies and daddies will appreciate it!

Myself and Mrs. Fenton are continuing to miss you very much, you are all in our prayers and we hope to have you back in the classroom soon.

If there is anything else that you might need more support with, please ask your mummies and daddies to let me know. Because we are now doing things a little bit differently in our home learning pack, I would be really interested to know what you and your mummies and daddies think of the pack. If you think there should be more of certain activities, less of another, you would like things to be a little clearer, or you think the learning pack is spot on (as it should be for the best class in the world), please do get your mummies and daddies to let me know via email.

As usual, keep on being fabulous!

Take care, Year 4.

Mr. Spencer and Mrs. Fenton

R.E.

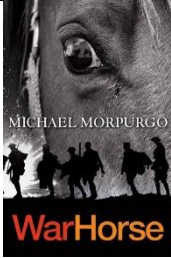

Easter

- This week you shall be exploring the events that leads up to Jesus' arrest and the events that take place in the garden of Gethsemane. Please do use the PowerPoint to help you.

English

- This week, you will be practising all the skills you will need to write your own image poem as well as practising your inference skills by

exploring our class text.

- The printable tasks you include:
 - Warhorse chapter 2 comprehension
 - Practising expanded noun phrases
 - Warhorse chapter 3 comprehension
 - Planning an Adverb Poem
 - Grammar Hammer

Tasks will also be set on LBQ that will support the skills you will need to create an amazing setting description.

- I have also included a link to an Oak National Academy that will support you: <https://www.thenational.academy/year-4/english/features-of-poetry-year-4-wk1-3>

LBQ - login at www.lbq.org on a daily basis (a code will be sent to you via text) to check which tasks have been allocated for you to complete.

Reading

- I would like you to continue reading Warhorse this week: chapters 6-7.
- As I said above, you also have two comprehension tasks to practice inference skills based on the second and third chapters.
- Accelerated Reader - you can now access the 'Accelerated Reader' system at home to take quizzes. Please follow this link: <https://ukhosted5.renlearn.co.uk/2248169/>
- Enjoy some quiet reading time at home.
- David Walliams has a daily audio book at 11am. This can be found on David Walliams' website.

Maths

- LBQ - login at www.lbq.org on a daily basis (a code will be sent to you via text) to check which tasks have been allocated for you to complete.
- There will also be 5 activities on 'MyMaths' for you to log on to and complete.
- All tasks on LBQ and MyMaths will have an explanation or guide on the daily PowerPoint.
- I would also like you to keep practising on "Times Table Rock Stars" to become times table masters!
- I have also included a link to an Oak National Academy that will support you: <https://www.thenational.academy/year-4/maths/measures-converting-between-mm-and-cm-year-4-wk3-2>

Science

- This week you shall be investigating scientifically, the gas content of liquids. For this you will need at least one fizzy drink to weigh the amount of carbon dioxide and measure the difference. For this experiment, things may get a little messy as you will need to shake or mix the drink to release the bubbles! Please use the worksheet and PowerPoint to help you.
- There will be daily tasks set on LBQ that will support

	<p>this tool!</p>	
History	<ul style="list-style-type: none"> This week, you will again be exploring the chronology of the Shang Dynasty by ordering key events onto a timeline. I know that you are amazing at researching and ordering events from your work in class, but please use the PowerPoint to help you. 	
Art	<ul style="list-style-type: none"> This week you shall be exploring the intricacies of Shang Dynasty cultural designs. In ancient oriental culture, the symbol of the blossom tree was very important. This week you have the opportunity to get creative and create your own! 	
Computing	<ul style="list-style-type: none"> For computing this week, I would like you continue to explore "code.org". Mr Spencer is continuing with the Minecraft Voyage Aquatic task on the "code.org" website. My coding abilities have definitely improved! https://code.org/minecraft 	
French	<ul style="list-style-type: none"> I would like you to continue to practise some French following this link: https://www.bbc.co.uk/bitesize/subjects/z39d7ty 	
PE	<p>Health-related Exercise</p> <ul style="list-style-type: none"> Keep fit by performing the Joe Wicks workout, daily, on his YouTube channel 'The Body Coach TV'. Mr Spencer is still doing the workout every morning and now only needs a half-hour nap instead of an hour long nap now! https://www.youtube.com/user/thebodycoach1 I would encourage you to explore the "Just Dance" and "Just Dance Kids" libraries on YouTube- Mr Spencer has been spending lots of time doing this! You can develop your meditation skills with these useful yoga workouts! https://www.youtube.com/playlist?list=PL8snGkhBF7nhEc52y4C1S9yqjBQSLCmT4 	
Music	<ul style="list-style-type: none"> To practice your music reading, use the percussion videos on the Musication channel on YouTube and match the different symbols with your different sounds. I have also recorded a hymn for you to practise too, to make sure we are the best class ever in hymn practise when we return. This week is "God's Greatest Gift" 	

<p>PHSE</p> 	<ul style="list-style-type: none"> • Keep working on your 'Covid-19 Time Capsule' to record all the things you have been getting up to at home. I have already seen some brilliant examples of these, which have been wonderful to see. 	
<p>Congratulations!</p> 	<p>Well done to everyone who is working hard at home, it means so very much to us! You are all amazing! If any of you have any work to share then please do. Myself and Mrs. Fenton would love to see!</p> <ul style="list-style-type: none"> • Well done Riley Bradshaw on your fantastic artwork, we will make an artist out of you yet! • Well done Alicia on your brilliant poster to celebrate key workers. It is great to see you spreading some sunshine.! • Well done Millie on raising money for charity, for generosity and charity are a credit to yourself as well as to Year 4.
