SURPRISE CELEB AT SCHOOL!

On Thursday the 24th of January 2019, an amazing occurrence was set to happen. Jason Bolton, the famous football player, was set to make his triumphant return to his old primary school, Coal Hill Academy. The fantastic football player has just made a successful new signing at Everpool football club and was sold for half a billion pounds.

When Jason Bolton first arrived at Coal Hill academy twenty years ago, he joined the reception class. Little did he know that, yesterday, he would be greeted by the current Year 6 class, who had made posters and banners to warmly welcome him back to the school.

"I just can not believe it!" one pupil at Coal Hill Academy told us. "I never thought that anybody so famous and talented would ever visit our school."

After lunch, in which Jason Bolton had fish and chips with the amazed and flabbergasted pupils, he led a football training session so that the children could benefit from his talent and learn some new skills.

"I think that it is fantastic that the children have a successful role model like him to promote fitness and healthy living." Mr Mercer, Head Teacher of Coal Hill academy told us. "The children are able to look up to someone who has come from the same background as them and aspire to greatness themselves. The children of Coal Hill most certainly seem inspired by Jason Bolton's visit and perhaps he won't be the only sporting legend to come out of this school."
