

Good Morning Year 4!

It is week 3 of our wonderful summer term! I do very much hope that you have had a fabulous week and an eve better weekend and you are looking forward to getting back to work this week. The weather hasn't been wonderful over the past week and might have left you feeling a little damp, however Mr. Spencer has as always put all of his love and care into your pack this week to keep you busy.

As always (you know the drill by now!) you have five English tasks that are accompanied by a PowerPoint, giving you instructions on how to complete them. This week, you are going to be completing your Big Write on Monday followed by two Reading-inference activities based on our class text and two English skills activities that will support you in writing your next mystery Big Write! You also have the usual PowerPoint for the LBQ Math's tasks for each day to help you with anything you might have forgotten, or anything that may be new or challenging learning. **Remember, if you are still having difficulty with a task, Mr. Spencer is here to help. I have received even more completed book reviews this week which have been out of this world! I cannot wait to see even more in the next few weeks!**

This week, a PowerPoint is included for Art, History, Science and R.E. whilst the tasks for French, Computing, Music and PHSE can be completed independently.

I hope you have all been able to continue to be active at home despite the bad weather which has meant that you might not have been able to go outside. The Joe Wicks workout and the Just Dance videos are perfect if you have been stuck indoors however Mr. Spencer has been continuing with his lightsaber practice despite the rain. The weather is looking a little better for this week, so hopefully you will be able to get outside and exercise making sure you are two metres (or two lightsabers) apart from anyone not from your household.

It was so wonderful to speak to lots of you and your mummies and daddies on the phone the other week. Unfortunately I wasn't able to get in touch with everyone. If I didn't manage to get in touch with you last week and you would like to speak to me, then please do email me and we can schedule a time that is best to call. Additionally, if you or your mummies and daddies would just like a conversation with Mr. Spencer, then please do email me and we can arrange a call.

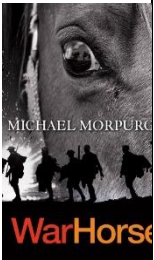

Please do keep sending your work in for a chance to be included on the school website or (if your work is extra special) on the celebration newsletter! It really does brighten our lives when we receive work from you! The Friday Dance must be kept up as the time will soon be upon us when you are called on to do it again!

We do have one special Birthday this week on the longest day of the year! Happy Birthday to Maisie Manns on the 21st June. Maisie will have a very long Birthday, so we hope that she makes the most of it! As ever, Happy Birthday followed by 9 "hip hip hoorays" will have to be shouted with another one on top for good luck! **If any of you are missing school and your friends so much that you are struggling a little, please do send me a letter via email to tell us how you are feeling and what you have been getting up to. Mr. Spencer and Mrs. Fenton will always listen and will always write back to you as we are always with you and can always help.**

As always, if there is anything else that either you or your mummies and daddies need help with including further support or just a conversation, please do get in contact with me.

Keep on being the best class ever, Year 4. We are so proud of you and we are nearly there.

Mr. Spencer and Mrs. Fenton
