

Helpful Hints for Purple Mash

Dear Parents / Carers

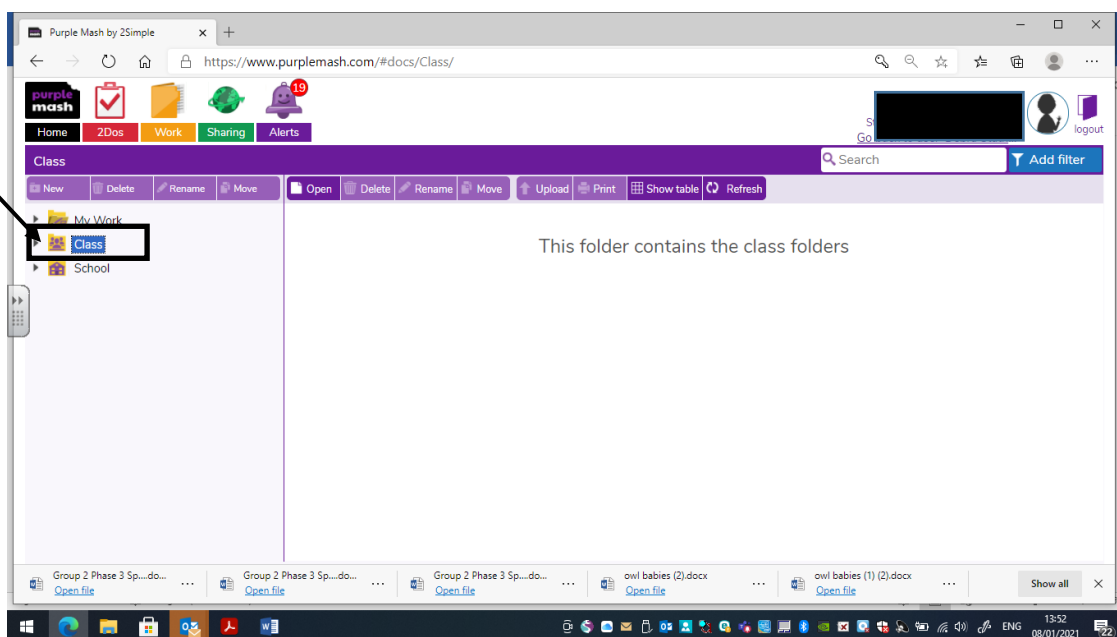

Thank you for all you have done in order to support your child's learning whilst at home. Now the children have become familiar with purple mash we will start to upload further materials for the children to access.

I hope that this will help and guide you in how to access and save work.

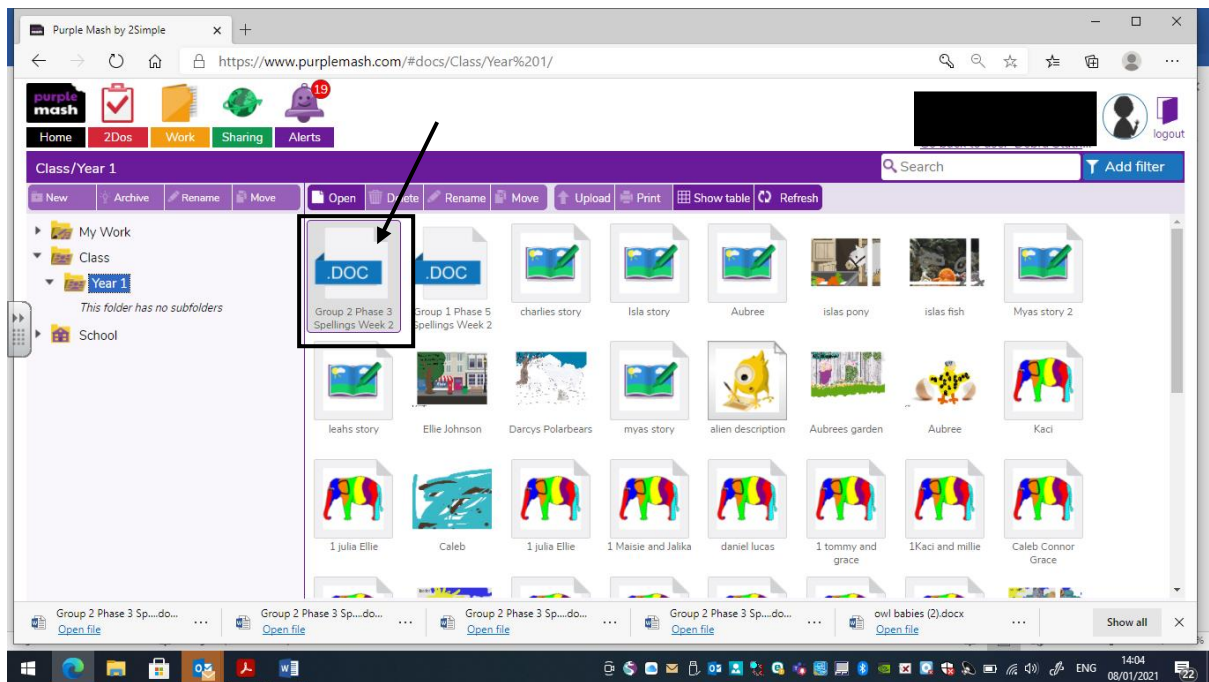

To access files that the teacher have uploaded go to work

Class – click on the triangle – this will create another drop down

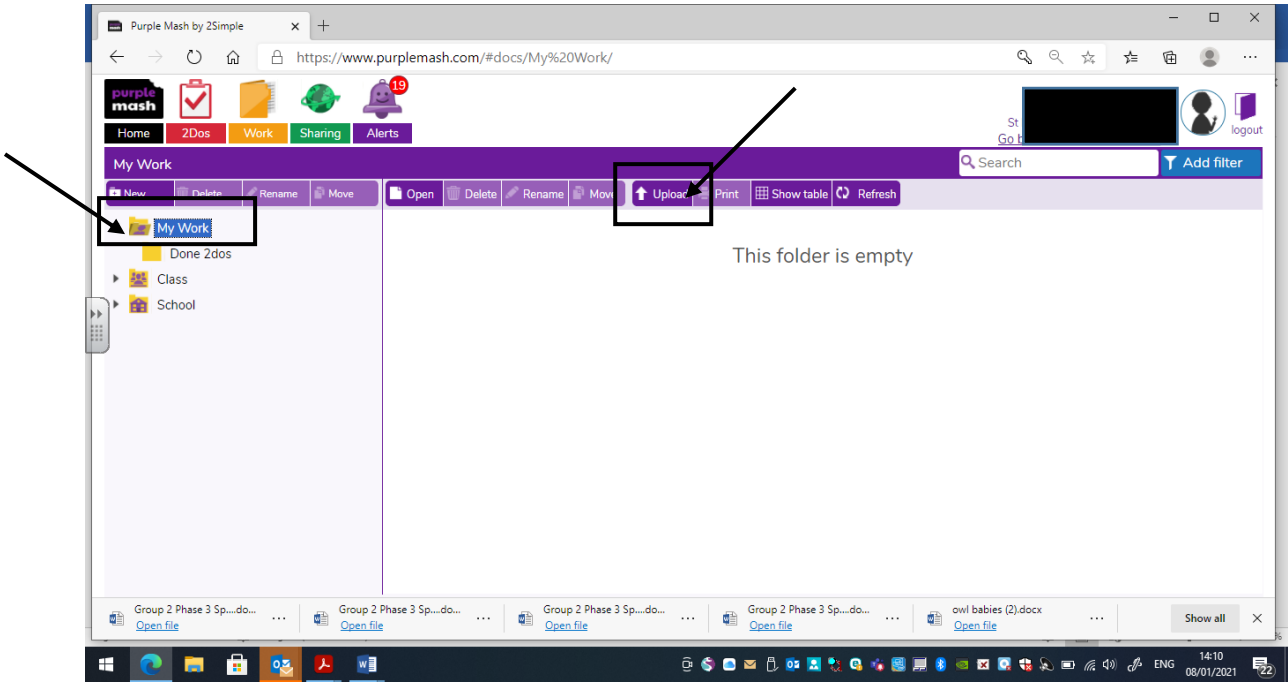

Click on the appropriate class (this is a year 1 example, reception will click reception) to view documents that the teacher has uploaded.

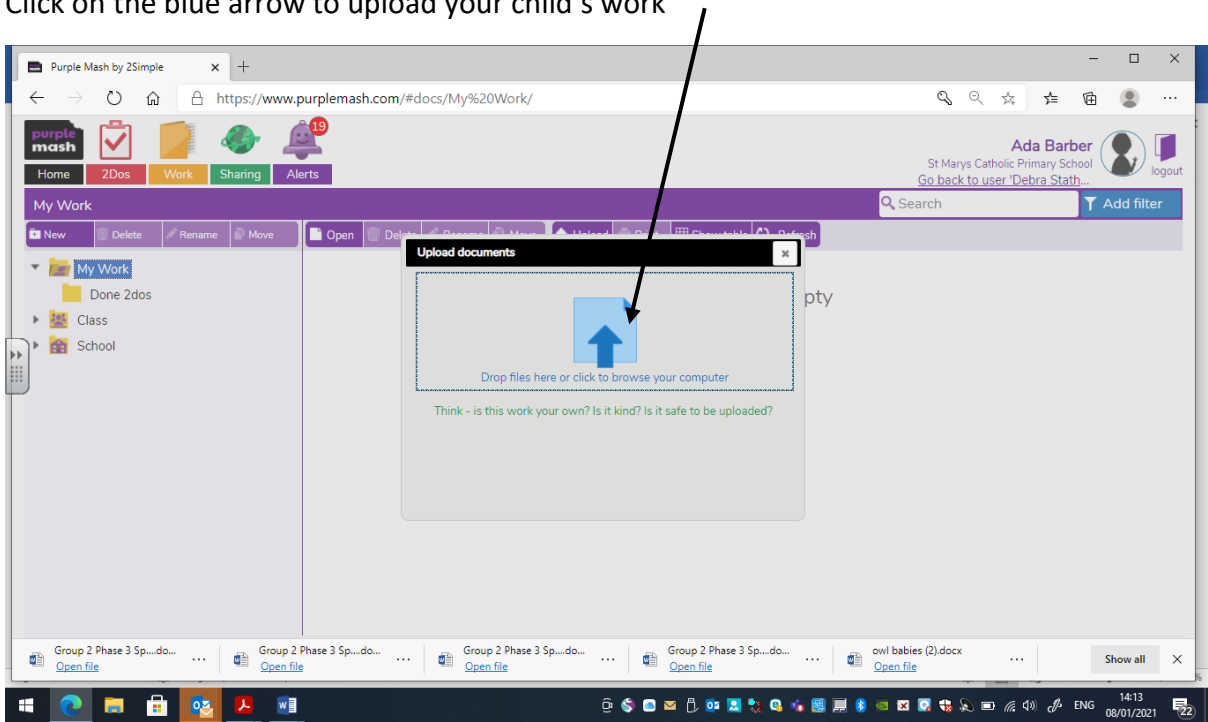

How do I upload work.

You can submit work that you have completed on the laptop / computer or you can upload a photograph of your work. To do this you must first save your work to your device.

Then, click 'my work' and 'upload'

Click on the blue arrow to upload your child's work

This will then upload your work – click 'Done'
