### Get Creative for Climate Justice

Dear parents / carers

The Eco Council would like to invite all children to join our 'Get Creative for Climate Justice' competition which raises awareness for the need to act as Stewards of God's Creation. Alongside CAFOD's project, we invite you to create some art work that we can use to put Catholic Social Teaching into action, think about our global neighbours and the world you want to see.

You could use paint, ink, pastels, pencils or any ideas to create a piece of artwork to raise awareness for Climate Justice. There will be a EYFS/KS1 entry and a KS2 entry. In-house prizes will be chosen for pieces and the winners of each group to be part of the exhibition at the Houses of Parliament. Their pieces will be photographed and put on display as organised by CAFOD, to help to raise awareness for Climate Justice.

Remember to include a title or caption outlining the thinking behind it and the first name, year group and school of the artist.

Completed pieces need to be submitted by **Friday 29<sup>th</sup> November.**

We look forward to seeing your pieces.

Sincerely,

Miss Gilbert
