Thursday 10th April

Nature Reserve Visit – Wednesday 30th April

Dear parents/guardians,

In science, Year 1 are learning about seasons. We have arranged a visit to the Nature Reserve, where the children will take a walk around the reserve, looking for natural signs that spring has sprung! For example, they will look for birds making nests, buds beginning to grow on trees, and the different colours we can see.

They will collect a few natural items and tie them onto a journey stick as a visual guide to what they have seen on their journey.

The children will leave School after lunchtime along with Mrs Scattergood and several other adults and will return in time for the end of the school day.

Please ensure that your child brings suitable clothing for the weather on the day;

- Waterproof coat
- Wellies
- Sun cream/Sun hat

Please log into your Scopay account to give consent for the trip.

The deadline for consent is Friday 25th April.

Thank you for your continued support.

Kind regards,

Mrs Scattergood
Year 1 Class Teacher
