Friday 21st May 2025

Dear Parent(s)/Guardian(s),

Year 4 MTC check

Your child will be participating in the multiplication tables check (MTC) in June.

The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics. It will also help us to identify if your child may need additional support.

It is an on-screen check consisting of 25 times table questions. Your child will be able to answer 3 practice questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete.

Your child has worked incredibly hard in Year 4 to learn their times tables. To support your child to prepare for this test, there are a range of websites/apps they can access over the half term break to ensure they maintain their quick recall. As homework, I will be asking the children to practise for 10 minutes per day.

[Home - Times Tables Rock Stars](#)

[Hit the Button - Quick fire maths practise for 6-11 year olds](#)

If you require more information, you can visit the MTC website or speak to a member of staff.

Your support is greatly appreciated.

Yours Sincerely,

Mrs Crutchley
Y4 teacher
