R.E – We will continue with our Unit of Creation, this week the children will be focusing on their own God given talents and how we can use these special talents in our lives

Topic – This week we are beginning to explore the changing season of Autumn. The children will be looking at the signs of Autumn all around us.

Handwriting – The children have begun practising their handwriting. We have started with ladder letters and so this week we will practise – i and u

Our Maths Focus this week is:

This week, children will compare two groups of non-identical objects saying which group of objects has more, fewer or the same. Children will build on learning from the previous week, matching objects to compare quantities, but focusing on matching non-identical objects to draw out the misconception that objects must be the same to compare them.

Things to remember:

- Forest school will begin Wednesday 16th September – We will provide overalls for this. Please ensure your child has a warm coat and wellies in school.
- P.E will take place on a Friday afternoon

All the Leaves Are Falling Down

(Sing to the tune of 'London Bridge is Falling Down'.)

All the leaves are falling down,
falling down, falling down.

(Imitate leaves falling down)

All the leaves are falling down,
it is autumn.

Take the rake and rake them up,
rake them up, rake them up.

(Imitate raking leaves)

Take the rake and rake them up,
it is autumn.

Make a pile and jump right in,
jump right in, jump right in.

(Children jump forward)

Make a pile and jump right in,
it is autumn.
