Thursday 15th January

Innovation Studio – Friday 30th January (GROUP 2)

Dear Parents/Guardians,

As part of Design and Technology next term, year 6 are learning about electrical components. We have arranged a visit to the LEGO® Education Innovation Studio at Newcastle College, where the children will take part in a robotics and coding workshop. There is no cost to this trip.

Due to limited space we have split the class into two groups. Your child's trip will be on Friday 30th January.

Please log into your Arbor account to give consent for the trip.

Children need to wear their full school uniform. Due to the time the children will return back to school there won't be an option for hot food; only sandwiches. If you would like us to provide a school packed lunch, complete the slip below and return.

If a slip is not returned we will assume you are providing a packed lunch.

The deadline for completion of consent is Wednesday 21st January

Yours sincerely,

Mr Spencer
