Five Little Snowmen

(Sing to the tune of 'Incy Wincy Spider'.)

Five little snowmen standing in a row,
Five little snowmen that are made of snow,
Out came the sunshine and stayed for the whole day,
And one little snowman melted all away.

Four little snowmen standing in a row,
Four little snowmen that are made of snow,
Out came the sunshine and stayed for the whole day,
And one little snowman melted all away.

Three little snowmen standing in a row,
Three little snowmen that are made of snow,
Out came the sunshine and stayed for the whole day,
And one little snowman melted all away.

Two little snowmen standing in a row,
Two little snowmen that are made of snow,
Out came the sunshine and stayed for the whole day,
And one little snowman melted all away.

One little snowman standing in a row,
One little snowman that is made of snow,
Out came the sunshine and stayed for the whole day,
And one little snowman melted all away.
