Thursday 12<sup>th</sup> February

### Plates for Change Competition

Dear Parents/Guardians,

To help raise awareness of global hunger we have been invited to take part in a national competition. 'Plates for Change' gives pupils the tools and confidence to help fight global hunger with an inspiring lesson and the opportunity to take part in a competition for ages 7–11. Pupils will explore what healthy eating looks like around the world and learn how hunger affects families everywhere. Then, they'll design a Plate for Change that tells a story about global hunger.

Please return your child's entry to school by **Friday 27<sup>th</sup> February** along with your child's details and the **parental consent** fully completed, without this, we are unable to submit the entry.

All children who return their entry will achieve 2 Children's University credits. CU code: **green6527**. Please log into your child's account to log these hours.

Winning schools will receive an exciting in-school chef demonstration plus £500 worth of Russell Hobbs appliances.

Kind Regards,

Mrs D Statham  
Head of School
