Maths

This week in Maths, the children will be talking about **more and fewer**. We will be using the story of The 3 little pigs to explore and compare two groups of objects. We will be asking, who has more? and using the words greater than and fewer than. You might like to practice at home? Through practical activities, we will encourage the children to visually identify groups of more and fewer without counting.

Song

One Elephant Went Out to Play

One elephant went out to play,
Upon a spider's web one day.
He had such enormous fun,
That he called for another
elephant to come!

Two elephants went out to play,
Upon a spider's web one day.
They had such enormous fun,
That they called for another
elephant to come!
