Dear Parents and Carers,

Following our recent Earth Day learning, the SVP Minnie Vinnies group, alongside the KS1 Forest School club, have been thinking carefully about how we can care for God's creation and look after the natural world around us.

The children are very keen to brighten up our school grounds ready for summer, whilst caring for the living things around us. We would therefore be very grateful for any donations of compost and potting plants. These donations will help the children to continue their learning about caring for living things, respecting nature, and understanding our responsibility to look after God's Earth.

Any contributions, no matter how small, would be greatly appreciated, and will directly support the children's hands-on learning.

If you are able to help, please send donations into school with your child or drop off at the school office.

Thank you for your continued support in helping us care for God's creation.

Kind regards,

Mrs Fenton, SVP Minnie Vinnies and KS1 Forest School
