Maths

123

This week in Maths, we will continue to talk about what comes 'before' a given number (to 5). The children will then begin to solve number problems (to 5) by sequencing numbers that are mixed up, 1:1 counting and looking at joining numbers up in the correct order,

We will also be recapping the properties of 2D and 3D shapes for instance, straight or curved edges, etc.

Rhyme/Song of the week

Song Five Little Apples

Five little apples so red and bright
were dancing about on a tree one night.
The wind came rustling through the town
One little apple came tumbling down.

Four little apples so red and bright
were dancing about on a tree one night.
The wind came rustling through the town
One little apple came tumbling down.

Three little apples so red and bright
were dancing about on a tree one night.
The wind came rustling through the town
One little apple came tumbling down.
