Maths

123

In the next few weeks, we will be consolidating and practicing the skills we have learnt recently. This week we will be re-capping 2D and 3D shapes and including them in a pattern. We will still be encouraging language about numbers in a number line asking what number comes before and after a given number.

Rhyme/Song of the week

Song

Five Green Bottles

Five green bottles, sitting on a wall.
Five green bottles, sitting on a wall.
And if one green bottle should accidentally fall,
There'll be four green bottles sitting on a wall.

Four green bottles, sitting on a wall.
Four green bottles, sitting on a wall.
And if one green bottle should accidentally fall,
There'll be three green bottles sitting on a wall.

Two green bottles, sitting on a wall.
Two green bottles, sitting on a wall.
And if one green bottle should accidentally fall,
There'll be one green bottle sitting on a wall.

One green bottle, sitting on a wall.
One green bottle, sitting on a wall.
And if one green bottle should accidentally fall,
There'll be no green bottles sitting on a wall.

This week the children will...

- Read 'Pete the Cats Train Ride'
- Focus on c.v.c. words orally segmenting and blending to make a word.
- Learn about 'what comes before' in a number line.
- RE. We are in the liturgical season of Ordinary Time. We will be discussing special celebrations.
- We will talk about Transport and journeys.
- Continue to learn how to identify rhyming words.
- Write their names daily - please encourage this at home 😊
