Friends, Skills and Summer adventure!

Over July and August, we celebrate International Day of Friendship and International Day of Youth. Our activities reflect both these themes. Can you think of your own Friendship Day or Youth Day activity? Give it a try and let us know how it goes!

Take a trip to one of our learning destinations with a friend over Summer.

The Mitchell Arts Centre has a variety of workshops on which you can see here <https://mitchellartscentre.co.uk/>

Alternatively, create clay tiles, an owl pot or try plasticine painting, at the Potteries Museum! Find our more here <https://www.stokemuseums.org.uk/pmag/whats-on/events/>

Make sure you ask for the learning code to add to your dashboard if you do go. Tag us in your creations on facebook @staffsunicu.
