

SUMMER NEWSLETTER

Thank you

As another academic year comes to an end, we would like to thank all the schools, families, and supporters who have encouraged children to continue learning beyond the classroom.

It has been a fantastic year for Staffordshire Children's University. This year, more than 300 children from seven schools graduated on campus, and it was wonderful to see how proud the children and their families were as they celebrated their achievements.

During the graduation ceremonies, several children shared how taking part in Children's University had helped to improve their confidence, wellbeing, and personal skills. Their stories were a powerful reminder of the positive impact that learning outside the classroom can have.

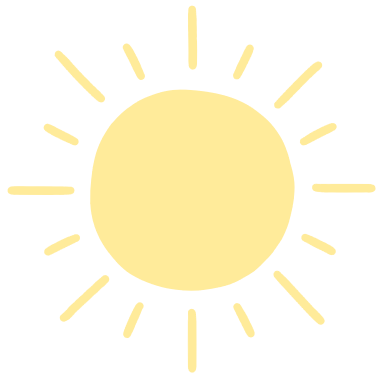

We have also celebrated the achievements of more than 150 children through our in-school award ceremonies, recognising the many hours they have dedicated to learning activities. We hope their success inspires even more children to get involved next year.

Thank you to everyone who attended our school and campus ceremonies. We hope you enjoyed celebrating these achievements as much as we did.

If you attended a ceremony, we would love to hear your feedback. We are always looking for ways to improve and create memorable experiences for children and their families. Please use the link below to share your thoughts

Summer Holiday Workshops 2026

It's Summer time

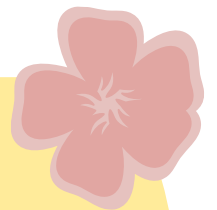

We will be holding 4 workshops for children aged 3-12yrs during the Summer holidays.
All workshops will be held at the studio in the daytime (9am-3:00pm).

Students are welcome to bring their siblings and friends along, they do not have to be Scane Dance students to attend.

There will be 4 different workshops of dancing, acro, cheerleading, summery arts and crafts, party games and more! All sessions are catered to the children attending so they can always have the best of time!

On the day please send your child with a snack, packed lunch and plenty to drink.

There are limited spaces for all the workshops, so to secure your child a space please follow the link to book on: <https://scanedance.co.uk/workshops>
or ask your class teacher at the studio.
