Board Games Club

Dear Parent/Guardian,

We are really excited to be starting our new Board Games Club!

The club will give children the opportunity to enjoy a range of fun and exciting board games while developing important skills such as turn-taking, communication, problem-solving, strategy and teamwork. Most importantly, it will be a chance for the children to have fun, make friends and enjoy playing together.

We will have a selection of board games available at the club, but children are very welcome to bring in their own favourite board game from home to share and play with their friends.

If your child does bring a game into school, please make sure that it is clearly labelled with their name and that it is a game they are happy to share with others.

We are looking forward to lots of laughter, friendly competition and some very exciting games!

Let the games begin!

Kind regards,

Mrs Statham

Head of School
