Maths

123

This week in Maths, we start to look at primary colours, red, blue and yellow. We will explore different shades of each colour and try and sort each colour in trays. At home you could collect some things of the same colour and see how the colours are slightly different shades.

Notices

Monday –

Tuesday –

Wednesday- We will soon be sending a library book home. Please can you read the book with your child and return it the following Wednesday in the blue book bag.

Thursday

Friday – PE (Friday morning.)

Please make sure your child has navy shorts, a white t-shirt and a pair of well-fitting pumps in a draw string bag. All named please.

Thank you.

Evidence me

Your child now has an 'Evidence me' account. Please tell Mrs Blocksidge if you have not had an invitation to join. This is a good way to show parents what the children have been learning.

As a parent you are also able to post pictures of homework and weekend activities.

Thank you 😊

Once I Caught a Fish Alive

Once I caught a fish alive.

6, 7, 8, 9, 10
Then I let it go again.

Why did you let it go?
Because it bit my finger so.

Which finger did it bite?
This little finger on my right!

This week the children will...

- We will start to read The Colour Monster and explore our feelings as he did in the story.
- Go outside and listen to sounds in the environment, this will help the children to listen carefully and discriminate between different sounds.
- Look at primary colours and see where you can see them at home.
- RE. We are talking about God and the Creation. Learning how to say a prayer and how to cross ourselves as part of a prayer.
- Continue to learn how to orally segment and blend in phonics.
- Recognise and begin to write their names daily in lower case letters- please encourage this at home
