Weekly Focus **Week Beginning: 28/9/2026**

RE focus this half term is 'Creation'

Focus words: **Celebration, God, Love** and **The World.**
Talk about the words and what they mean. Use the words within a sentence throughout the week.

Story Focus.

Maths

This week in Maths, we will look at matching objects. We will look at socks, buttons and small bricks. We will continue to talk about colour and why something is the same or different.

At home you try pairing socks or pants by different criteria eg. Size or colour.

Rhyme/Song of the week

Notices

Monday –

Tuesday –

Wednesday-

Thursday -

Friday – PE (Friday morning.)

Please make sure your child has navy shorts, a white t-shirt and a pair of well-fitting pumps in a draw string bag. All named please.

We will only be changing shoes until October, then after half term we will start to change all the children into PE kits so please can you have you PE kit ready! Thank you

As the weather is very changeable, please make sure your child has a waterproof coat or jacket with them every day.

Thank you.

😊

Evidence me

Your child now has an 'Evidence me' account. Please let the class teacher know if you have not had an invitation to join.

This is a good way to show parents what the children have been learning.

As a parent you are also able to post pictures of homework and weekend activities.

Thank you 😊

This week the children will…

- Continue to read The Colour Monster and explore our feelings.
- Go outside and listen to sounds in the environment, this will help the children to listen carefully and discriminate between different sounds.
- Look at green and purple and see where you can find them at home.
- RE. We are talking about God and the Creation. Learning how to say a prayer and how to cross ourselves as part of a prayer.
- Recognise and begin to write their names daily in lower case letters- please encourage this at home 😊
