Bikeability Level 1/2

Dear Year 6 Parents / Carers,

We are excited to be working with BikeRight to offer Bikeability Level 1/2 FREE of Charge during school time w/c Monday 19th October 2026. Bikeability is a national cycle training programme that helps children develop the skills and confidence to ride safely and independently. This cycle training will be provided to all children in year 6 as part of the school programme.

The training is delivered by qualified instructors and is tailored to pupils' abilities. BikeRight will provide cycles and helmets to ensure that no child misses out. If your child would benefit from access to an adapted cycle, please let school know as soon as possible to ensure we can organise a suitable cycle for them. If your child can bring in their own bike and helmet, they are encouraged to do so provided they are the right size and in a roadworthy condition.

If you do not wish your child to take part, you must inform the school by **Wednesday 14th October**. If we do not hear from you by this date, we will assume that you consent to your child participating in Bikeability cycle training.

The school will share relevant medical and SEND information with the instructors. Parents and guardians are asked to inform the school in advance if there is any additional information that instructors should be aware of, so that reasonable adjustments can be made where required.

Your child can still take part if they cannot cycle independently. Please just let the school know so that pupils can be grouped by ability and the instructors will do their best to accommodate all skill levels.

Yours sincerely,

Mrs Statham

Head of school
