Dear parents / carers

A member of staff within the Archdiocese is undertaking research as part of a PhD and is keen to hear the views and experiences of parents and carers whose children attend Catholic primary schools. The research is a survey which should take no longer than 5 minutes.

The findings from this research will be used to help **enhance and support Catholic education**, so we would be very grateful for your participation. **Parents and carers of all faiths, and those of no faith, are warmly encouraged to take part** – your views and experiences are important.

Participation is entirely voluntary, and consent can be withdrawn at any time.

Thank you for supporting this valuable research.

Best wishes
