Weekly Focus **Week Beginning: 12/10/2026**

RE focus this half term is 'Creation'

Focus words: **Celebration, God's love, things to be greatful for.** Please talk about these words and what they mean. We will also be talking about things to be grateful for such as birds, trees, friends and the natural world.

Story Focus.

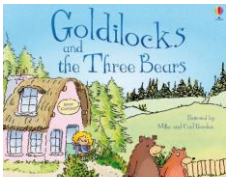

Maths

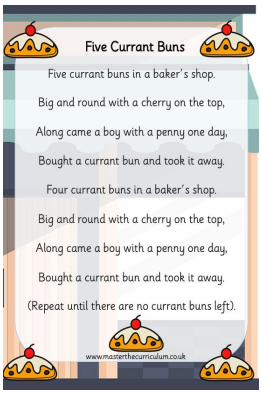

This week in Maths, we will be sorting in different ways. Firstly, we will sort by colour then size then shapes.

In Ten Town we will look at the numbers 7 and 8

At home you could read Goldilocks and find some different sized objects from the story to sort or look at and compare.

Rhyme/Song of the week

Notices

Monday –

Tuesday –

Wednesday-

Thursday -

Friday – PE (Friday morning.)

We will only be changing shoes until October, then after half term we will start to change all the children into PE kits so please can you have you PE kit ready! Thank you

As the weather is very changeable, please make sure your child has a waterproof coat or jacket with them every day.

Thank you.

😊

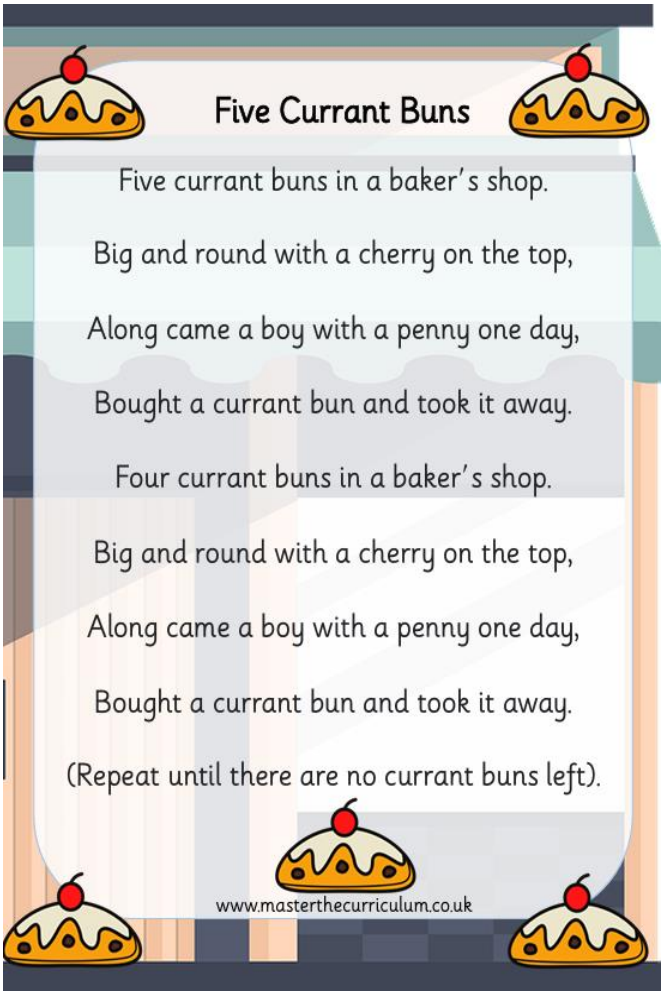

Evidence me

Your child now has an 'Evidence me' account. Please let the class teacher know if you have not had an invitation to join.

This is a good way to show parents what the children have been learning.

As a parent you are also able to post pictures of homework and weekend activities.

Thank you 😊

This week the children will…

- Start to read Brown Bear Brown Bear What Can You See.
- We are going to differentiate between different instruments this week. We will listen to the noise but not see the instrument and identify the instrument being played.
- We will be talking and reading about Goldilocks and the 3 Bears as part of comparing size.
- RE. We are talking about God and the Creation. This week we will be talking about the wonderful world and what we are thankful for.
- Recognise and begin to write some of the sounds in their names. Please encourage this at home 😊
