Weekly Focus **Week Beginning: 12/10/2026**

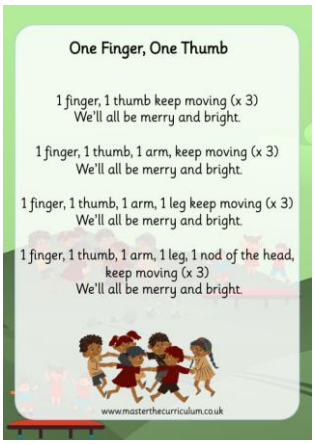

RE focus this half term is 'Creation'

Focus words: **Celebration, God's love, things to be greatful for.** Please talk about these words and what they mean. We will also be talking about things to be grateful for such as birds, trees, friends and the natural world.

Story Focus.

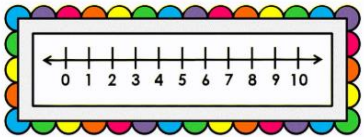

Rhyme/Song of the week

Maths

This week in Maths, we will be looking at the number 1 in form and shape using various ways of recognising it, where it comes within a number line and counting it. I realise this might seem rudimental, but we start at one to consolidate the knowledge before building on. It's always good to revisit!

Notices

Monday –

Tuesday –

Wednesday-

Thursday -

Friday – **PE (Friday morning.)** **NO SCHOOL TODAY**

Please make sure PE kits are in school after half term.

Have a great half term break. Back on the 3rd November

Thank you for your support this term

😊

Evidence me

Your child now has an 'Evidence me' account. Please let the class teacher know if you have not had an invitation to join.

This is a good way to show parents what the children have been learning.

As a parent you are also able to post pictures of homework and weekend activities.

Thank you 😊

This week the children will…

- Start to read Brown Bear Brown Bear What Can You See.
- We are continuing to differentiate between different instruments this week.
- RE. We are talking about God and the Creation. This week we will be talking about the wonderful world and how we should look after it.
- Recognise and begin to write some of the sounds in their names. Please encourage this at home 😊
- We will be learning to turn coat sleeves in the right way before putting our coats on. Please help your children to do the same at home so that they can become more independent. Thank you
- This is a link to a website that includes information about potty training and other skills that your children might need help to get them ready for Reception Learners from Birth
