Home Learning Weekly Overview

Dear Year 6 pupils and parents/carers,

You have another chance this week to join us on our virtual school trip to the Anne Frank Museum in the Netherlands! We'll take a look around the secret annexe where Anne and her family lived, hidden behind a bookcase. Enter each room and learn about their daily routines - look at the objects and watch the videos to learn more.

<https://www.annefrank.org/en/anne-frank/secret-annex/>

After visiting the secret annexe we would like you to complete a review TripAdvisor style! You will find the review sheet with all the other documents you need for other subjects.

We would love to see any work that you've been doing at home e.g. stories you've written, art work or your trip review. Please feel free to email us anything you would like to share.

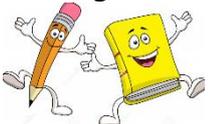

Please see below all the information you need to be getting on with the work that has been set for you. Any files or documents you need will be on the school website, on our home learning packs class page.
