# Ancient Greek Olympics

The Olympics actually started in Ancient Greece. The different city states often fought but during the Olympics, peace was declared and everyone came together to enjoy the games.

The games began in 776BC in Olympia. It is believed that the games were a religious event to honour Zeus who was the king of the Gods.

# What event?

What do you think each of these events are?

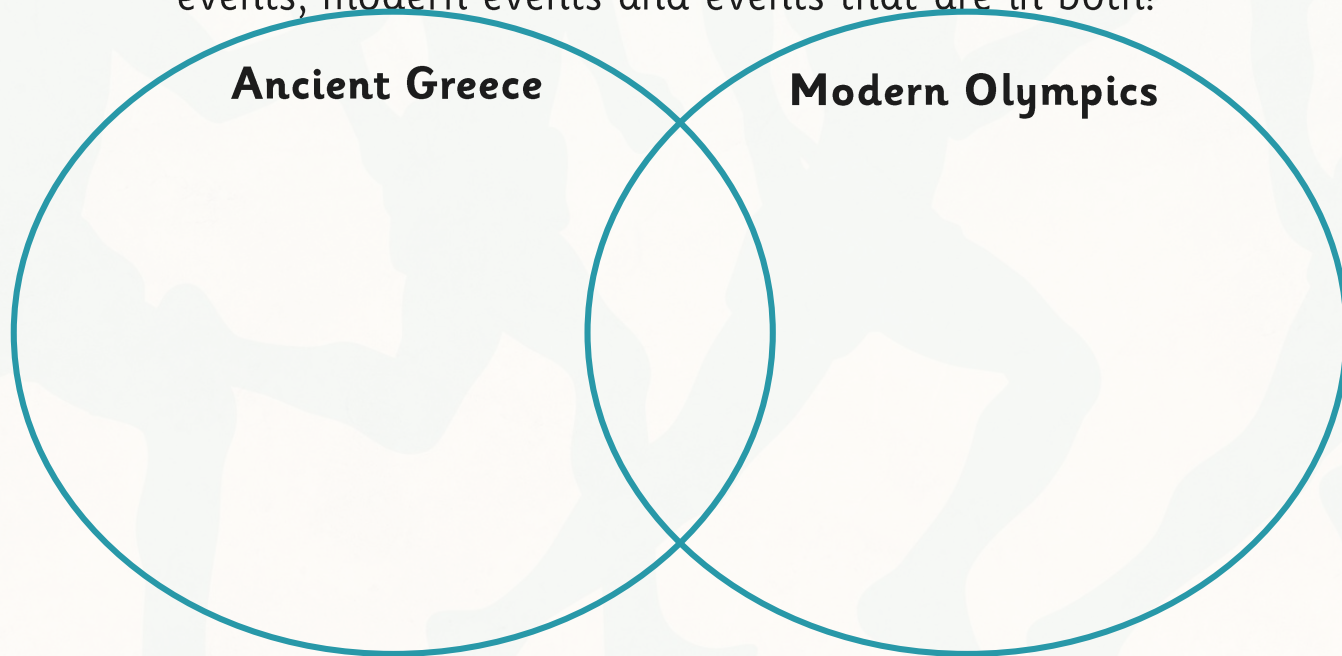

# The Legacy

What events do athletes compete in the modern Olympics that originated from the original Greek Olympic Games? Research different events.

Draw and complete a Venn diagram like the one below, showing ancient events, modern events and events that are in both!

# Guess the Event

Secretly choose an Ancient Greek Olympic event.

Can you make a pose showing your chosen event? (like you would see on the vases!)

Can somebody in your family guess your event?
